1.4.14 Local Exchange Company Debit Card Service for Intrastate Calls - (AT)
(Continued)

MISSOURI
Public Service Commission

D. Regulations - (Continued)

3. A Customer's calls will be interrupted with an announcement when the balance is about to be depleted. Such announcement will occur one minute before the balance will be depleted, based on the terminating location of the call.
4. Calls in progress will be terminated by the Company if the balance of the LEC Debit Card is insufficient to continue the call.

E. Rates and Charges

LEC Debit Cards may be obtained in various unit denominations with a per unit value, inclusive of taxes, as indicated below, depending upon the issuing LEC:

<u>Local Exchange Company</u>	<u>Unit Value</u>	<u>Available</u>
Southwestern Bell	\$0.45	2/13/96

Calls completed while utilizing a LEC Debit Card are timed at one-minute intervals. One unit equals one minute (or fraction thereof) of calling.

F. Credit Allowances for Interruptions

A credit allowance for LEC Debit Card Service is applicable to that portion of a call that is interrupted due to poor transmission, one-way transmission, or involuntary disconnection of the call. A Customer may also be granted credit for reaching a wrong number. To receive the proper credit, the Customer must notify the LEC, prior to or at the expiration of the card, at the designated Customer Service Number printed on the LEC Debit Card and furnish the called number, the trouble experienced (e.g., cutoff, noisy circuit, reached wrong number, etc.), and the approximate time the call was placed.
