VIA ELECTRONIC FILING

Mr. Morris Woodruff, Secretary
Missouri Public Service Commission
P.O. Box 360

RE: Liberty Utilities (Missouri Water) – Case No. WA-2019-0036

Dear Judge Woodruff:

I am providing herewith to the Missouri Public Service Commission for filing, in electronic form, the following substitute/replacement tariff sheets:

Title Page	1st Revised Title Page
Index	1st Revised Sheet No 1
Map of Service Area	Original Sheet No. 2.12
Legal Description	Original Sheet No. 3.12
Rate Schedule	Original Sheet No. 4.6

All of these schedules are designed to comply with the *Order Approving Transfer of Assets and Granting Certificate of Convenience and Necessity* issued July 10, 2019, effective August 9, 2019, in Commission Case No. WA-2019-0036.

These revised and original tariff sheets were initially submitted on August 27, with a proposed effective date thirty days thereafter (Tariff No. YW-2020-0036). Since closing of the asset transfer is scheduled for September 30, and Liberty intends to begin providing service to the new customers on October 1, 2019, the Staff of the Commission has asked that the tariff sheets bear an effective date of October 1, 2019. Staff also noted an error in the tariff sheet headers, which is being corrected.

Please do not hesitate to contact me with any questions or concerns, and please bring this tariff filing to the attention of the Commissioners and the appropriate Commission personnel.

Sincerely,

Diana Carter
