**RE: Liberty Utilities (Midstates Natural Gas) Corp. d/b/a Liberty
Weather Normalization Adjustment Rider (“WNAR”)**

Dear Judge Woodruff:

On September 1, 2022, Liberty submitted revised WNAR tariff sheets (sheets 67.2, 67.3, 67.4, and 67.5) with a proposed effective date of October 1, 2022. Since this initial submission, the Staff of the Commission found two typographical errors. To fix those errors, Liberty is filing a substitute for tariff sheet 67.4. As a substitute, the filing and effective dates remain the same.

Please bring this WNAR filing to the attention of the Commissioners and the appropriate Commission personnel, and please do not hesitate to contact me with any questions or concerns.

Sincerely,

Diana Carter
