² Hundred cubic feet.

Staff filed a recommendation³ in favor of the tariff sheets subject to refund. No hearing is required⁴ to make an unopposed⁵ order, so this action is not a contested case,⁶ and the Commission need not separately state its findings of fact. The Company's tariff allows an expedited effective date for the tariff sheets.⁷ That tariff provision, the tariff sheets' proposed effective date, absence of opposition constitutes good cause for the Commission to make this order effective in less than 30 days.⁸ Staff also asks to file further results and recommendations no later than December 19, 2014. Therefore, the Commission will order the following.

THE COMMISSION ORDERS THAT:
