Re: Tariff Schedule to Adjust FAC Rate of KCP&L

Dear Mr. Woodruff:

Pursuant to 4 C.S.R. 240-20.090(4) of the regulations of the Missouri Public Service Commission (“Commission”), Kansas City Power & Light Company (“KCP&L” or the “Company”) hereby submits proposed rate schedules to adjust charges related to the Company’s approved Fuel Adjustment Clause (“FAC”). The proposed rate schedules bear an issue date of January 31, 2018, and an effective date of April 1, 2018.

Please provide a copy of all correspondence, notices, orders, and other communications that relate to this filing to the following as well as undersigned counsel:

Lisa A. Starkebaum
Supervisor - Regulatory Affairs
Kansas City Power & Light Company
1200 Main Street – 19th Floor

FAC net includable costs for the fifth accumulation period ending December 31, 2017, have increased by approximately \$19.8 million above the base costs included in rates. In accordance with the FAC for KCP&L approved by the Commission, the proposed rate schedules are designed to recover from customers 95 percent of those net cost increases. In addition, a true-up filing of \$1.6 million is being made concurrent with this filing. The requested FAC of \$0.00495

per kWh will result in a decrease of approximately \$1.87 per month for residential customers using 1,000 kWh per month.

Direct Testimony and supporting schedules of Lisa Starkebaum are submitted concurrently herewith along with schedules containing the information required by 4 C.S.R. 240-3.161(7), including all work papers that support the proposed rate schedules.

Copies of the proposed FAC-related rate schedules and all supporting materials described in this letter will be served electronically, this date, on the Commission's General Counsel, the Office of Public Counsel, and each party to Case No. ER-2016-0285.

Respectfully submitted,

/s/ Roger W. Steiner
