4. A "local message" from Customer Provided Payphone Service served by a given exchange, is a completed local call originating at such service and terminating at any service which may be called without a toll charge.

5. Installation Charges, as specified elsewhere in this Tariff, apply in addition to other charges specified for CO Implemented Coin Line or Instrument Implemented Payphone Service.

6. Where Custom Calling Service is desired, the charges as specified in the appropriate Sections of this Tariff are applicable for Instrument Implemented Payphone Service.

7. Rates and Charges contemplate a normal business exchange access line service installation.

Due to recent changes mandated by the Federal Communications Commission (FCC), the Company must raise its local service rates to \$18.00 per line, per month. Accordingly, effective June 1, 2016, Peace Valley Telephone Company's local rates will increase from \$16.00 to \$18.00 per month for both Residential and Business service.

If you have any questions regarding these rate changes, please contact our Customer Service Office at 417/277-5550.
