

July 29, 2013

Mr. Morris Woodruff
Secretary of the Commission
Missouri Public Service Commission
200 Madison Street, Suite 100
Jefferson City, MO 65102-0360

Dear Mr. Reed:

The accompanying tariff sheets issued by Union Electric Company d/b/a Ameren Missouri (Ameren Missouri or the Company), are being transmitted for filing as a revision of Schedule No. 6, Schedule of Rates for Electricity:

<u>Filed</u>	<u>Canceling</u>
1st Revised Sheet No. 89	Original Sheet No. 89
1st Revised Sheet No. 89.1	Original Sheet No. 89.1
1st Revised Sheet No. 89.2	Original Sheet No. 89.2

These tariff sheets are being issued July 29, 2013 to become effective on and after August 28, 2013.

The Company is requesting that the Commission grant Company's request to modify its Rider SP – SREC tariff to limit availability to only those customers who submit applications on or before August 27, 2013, after which time the Company will receive ownership of the SRECs when a solar rebate payment is made. This change to the tariff is consistent with a recent statutory change to Section 393.1020 RSMo, et. seq.

The tariff changes were discussed with Staff and their suggestions have been incorporated into the proposed tariffs.

Sincerely,

Wendy K. Tatro
