July 31, 2018

Mr. Morris Woodruff Secretary/Chief Regulatory Law Judge Missouri Public Service Commission 200 Madison Street, Suite 100 Jefferson City, MO 65102

Re: Tariff Schedule to Adjust FAC Rate of Kansas City Power & Light Company

Dear Mr. Woodruff:

Pursuant to 4 C.S.R. 240-20.090(4) of the regulations of the Missouri Public Service Commission ("Commission"), Kansas City Power & Light Company ("KCP&L" or the "Company") hereby submits proposed rate schedules to adjust charges related to the Company's approved Fuel Adjustment Clause ("FAC"). The proposed rate schedules bear an issue date of July 31, 2018, and an effective date of October 1, 2018.

Please provide a copy of all correspondence, notices, orders, and other communications that relate to this filing to the following as well as undersigned counsel:

Lisa A. Starkebaum Manager - Regulatory Affairs Kansas City Power & Light Company 1200 Main Street – 19th Floor Kansas City, Missouri 64105 Phone: (816) 556-2209 Fax: (816) 556-2110 Email: lisa.starkebaum@kcpl.com

FAC net includable costs for the sixth accumulation period, or six-month period covering January through June 2018, exceeded the base energy costs included in base rates by approximately \$24.3 million for KCP&L. In addition, the true-up filing for the third accumulation period, or six-month accumulation period covering July through December 2016, is being made in conjunction with this tariff filing and reflects an under-collection of approximately \$1.9 million.

In accordance with the FAC for KCP&L approved by the Commission, the proposed rate schedules are designed to recover from customers 95 percent of those net cost increases. The proposed residential FAC charge will be \$0.00555 per kWh. Based on usage of 1,000 kWh per month, the customer will see a monthly charge of \$5.55. This represents an increase of approximately \$0.60 to a KCP&L residential customer's bill above the prior FAC.

Direct Testimony and supporting schedules of Lisa Starkebaum are submitted concurrently herewith along with schedules containing the information required by 4 C.S.R. 240-3.161(7), including all work papers that support the proposed rate schedules.

Copies of the proposed FAC-related rate schedules and all supporting materials described in this letter will be served electronically, this date, on the Commission's General Counsel, the Office of Public Counsel, and each party to Case No. ER-2016-0285.

Respectfully submitted,

|s| Roger W. Steiner

Roger W. Steiner Corporate Counsel for KCP&L
