**RE: The Empire District Electric Company d/b/a Liberty
Case No. ER-2022-0274 - Fuel & Purchase Power Adjustment Clause (“FAC”)**

Dear Judge Woodruff:

On April 1, 2022, and in accordance with Commission Rule 20 CSR 4240-20-090(8), Liberty initiated a new case with an ER designation and provided a revised tariff sheet (Fourth Revised Sheet No. 17q, Replacing the Third Revised Sheet No. 17q) with a proposed effective date of June 1, 2022.

Since filing, Staff noted that the amount reported on line 13 of the proposed tariff sheet is on a total company basis rather than Missouri jurisdictional. As such, a substitute tariff sheet is being submitted at this time. This correction does not have an impact on the overall rate, as the calculations were performed using the proper jurisdictional amount.

Please bring this substitute tariff filing to the attention of the Commissioners and the appropriate Commission personnel, and please do not hesitate to contact me with any questions or concerns you may have.

Sincerely,

Diana C. Carter
