SECTION 4 - PROMOTIONAL OFFERINGS

The Company may, from time to time, engage in special promotional service offerings designed to attract new customers or to increase existing Customers' awareness of a particular tariff offering. These offerings may be limited to certain dates, times, and/or locations and are subject to prior Commission approval.

The Company may, upon Commission approval, offer customers specific rate incentives during specified promotional periods. The Company will provide written notice to the Commission at least 7 days prior to the commencement of a promotional program specifying the terms of the promotion, the specific service offered, the location, and the beginning and ending dates of the promotional period.

In lieu of the Customer receiving applicable volume discounts and/or promotional credits on a monthly invoice, the Company may, in a nondiscriminatory manner, utilize other methods of payment, subject to the terms and conditions of this tariff.

SECTION 6 - GRANDFATHERED SERVICES

6.1 Message Toll Service - *As of October 7, 2005, this product will only be available to current customers at their current locations.*

Message Toll Service (MTS) is a direct dialed communications service which is available for use by customers twenty-four (24) hours a day. Customers may originate and terminate intrastate MTS from locations served by the Company within the state of Missouri. Operator Assistance, Toll Free Service and Directory Assistance services are available to Customers of the Company’s MTS service subject to the provisions of this tariff.

For the purposes of this Section 3.1, timing of messages will be determined by the following method.

- (a) Chargeable time begins when connection is established between the calling station and the called station.
- (b) Chargeable time ends when the calling station “hangs up” thereby releasing the network connection. If the called station “hangs up” but the calling station does not, chargeable time ends when the network connection is released by automatic timing equipment in the telephone network.
- (c) Chargeable time does not include time lost due to faults or defects in the connection.

6.1.1 Rates for this Section 3.1.1 are usage sensitive and billed in six (6) second increments after an initial increment of sixty (60) seconds. The duration of each call for bill purposes will be rounded off to the nearest highest increment. Fractional cents will be rounded off to the nearest higher cent. The following rate applies to toll calls originating and terminating in the State of Missouri:

\$0.15 per MOU

SECTION 7 - CONTRACT TARIFFS

7.1 Contract Tariff Option 101

7.1.1 **Description:** This Contract Tariff Option provides a discount on Monthly Recurring Charges (MRCs) for customers who order any of the following newly installed services (“Subscribed Services”) in accordance with the requirements set forth in this Contract Tariff Option 101:

<u>Rate/Service Element</u>	<u>Tariff Section</u>
Toll Free Number - Per Number	3.17, 3.18, 6.3
XO Long Distance Business Plans	3.22

7.1.2 **Eligibility:** The customer must meet all of the following criteria in order to be eligible to receive the rates, terms and conditions of this Contract Tariff Option 101:

- A. The customer must subscribe to this Option 101 by submitting a written authorization in a manner designated by the Company during the period from March 28, 2015 through July 31, 2015 (the "Subscription Period");
- B. The customer must order new installations of at least one of the following services listed above in Section 7.1.1.
- C. The customer must accept service on the original service date. If the customer does not accept service on the original service date, the customer's acceptance of the service on a later date will make the service ineligible for the discount provided under this Option 101, unless the later date is designated by the Company.
- D. The customer may not concurrently subscribe to any other contract tariff option, special service arrangement, or Individual Case Basis (ICB) arrangement offered by the Company and available to the customer either currently or at any time during the Service Period, which contract tariff option, special service arrangement, or ICB provides a discount, credit or other reduction in rates or terms based on achievement of revenue or volume targets by the customer for the services ordered pursuant to this Option 101.

7.1.3 **Service Period:** The Service Period subscribed to under this Option 101 is one, two, or three years and Company and Customer must agree on the service period prior to commencement of service. The Service Period shall commence on the day that the newly installed service is accepted by the customer and end at the end of the term associated with the service period subscribed to.

7.1.4 **Terms and Conditions**

- A. Except as set forth in this Option 101, the rates, terms and conditions set forth in the sections listed for the Subscribed Services shown in Section 7.1.1 will apply for the Subscribed Service.
