Dear Mr. Woodruff:

The accompanying Mo. P.S.C. Schedule No. 6 Schedule of Rates For Electricity is being issued by Union Electric Company d/b/a Ameren Missouri, for filing, superseding Schedules No. 1 (Electric Power Purchases) and 5 (Schedule of Rates for Electric Service) in their entirety.

These tariff sheets are being issued May 31, 2013, to become effective on and after June 30, 2013.

The revisions are filed in order to comply with the terms of the *Nonunanimous Stipulation and Agreement Regarding Certain Revenue Requirement Issues*, approved by the Missouri Public Service Commission (MPSC) in Case No. ER-2012-0166. The filing combines current Schedules No 1 and 5 and reflects other non-substantive housekeeping edits.

The proposed tariff sheets were shared and discussed with the MPSC Staff prior to filing, and their suggestions have been adopted where appropriate.

Sincerely,

Wendy K. Tatro
