RE: Tariff Update – P.S.C. MO No. 1 – FairPoint Communications Missouri, Inc.

Dear Mr. Reed:

Enclosed for the Commission's approval, FairPoint Communications Missouri, Inc. d/b/a FairPoint Communications, hereby submits the following tariff page with changes to be effective July 16, 2014:

Section 9, First Revised Sheet 7

The purpose of this filing is to increase Directory listing rates by \$0.50. This includes the following services: Additional listing, Foreign Exchange listing, Non-listed service, and Non-published service. Additionally, we discovered that the published rate in the tariff for Foreign Exchange listing is incorrect. This service has been in billing as \$1.95 since prior to 2006 when our systems were cut over to a new billing system. The tariff pages were never updated to reflect this rate. We are correcting the tariff page at this time to show the correct billing rate for Foreign Exchange service plus the \$0.50 increase. We do not have any customers on this service at this time.

In accordance with 4 CSR 240-3.545(15), enclosed is a copy of the customer notification that was included in the bill statement for June 2014. FairPoint Communications hereby affirms that these notices have been provided to customers in accordance with 4 CSR 240-33.040(4).

Please contact Beth Westman at 207.535.4249 or bwestman@fairpoint.com with any questions or concerns regarding this filing.

Sincerely,

Patrick L. Morse
