1. Applicant(s) hereby applies to the Company for the said extension of its system, and the Company agrees to construct the said extension upon the terms and conditions hereinafter set forth.

2. Upon execution hereof, the Applicant(s) shall deposit with the Company the sum of _____

DOLLARS (\$ _____), Such deposit shall be adjusted based upon the determination of the actual cost by Company of facilities installed including water pipe and appurtenances, connection fees, engineering, accounting, and legal expenses plus the cost of obtaining any necessary easements or permits from governmental agencies. If it is necessary to adjust the amount of such deposit, in accordance with the terms of this paragraph, a supplemental memorandum will be prepared setting forth the actual costs and shall be attached hereto and made a part hereof.

3. The Company will use its best efforts to commence and carry to completion as soon as possible the installation of said extension, having in mind, however, delays which may be occasioned by weather, acts of God, strikes, or other matters not within its control.

4. It is further mutually understood and agreed that the water mains and appurtenances within the limits of the street, avenues, roads or easement areas, whether or not attached to or serving customers but constructed as part of the extension shall be and remain the property of the Company, its successors. By the terms

repaired and brought to proper grade by the Company or Company's contractor at Developer's expense.

9. It is further mutually understood and agreed by and between the parties hereto that this Agreement is subject to all the requirements of the Company's Rules and Regulations Governing Rendering of Water Service currently on file with the Missouri Public Service Commission be they expressed herein or not. It is specifically noted that the Company's definition of a water system "extension" may refer to either continuation of piping from existing Company owned water mains or the construction of an entirely new water main system.

10. The Company reserves the right to withdraw this proposal at any time before it has been accepted by the Developer. In the event it is not accepted and the payment for the water system extension is not in the possession of the Company within sixty (60) days from the date this Agreement is transmitted to the Developer, this proposal will be null and void.

SCHEDULE OF RATES (Continued)

EIERA Loan Payment Surcharge: A monthly surcharge of \$9.15 will be added to each customer's bill. The proceeds from this surcharge will be accounted for separately from other Company funds and will be used solely for making the regularly scheduled monthly principal and interest payments on the Company's EIERA loan. Any proceeds from this surcharge that are in excess of the regularly scheduled monthly EIERA loan payment will be used for prepayment of the principal balance of the EIERA loan. In the event the proceeds from this surcharge are not sufficient to make the regularly scheduled monthly EIERA loan payment, the balance of the payment will be made using other Company funds. This surcharge will be reviewed annually and is subject to change by the Commission based upon changes in the number of customers, billing and collection history or for other such good cause as the Commission may order. This surcharge will terminate when the EIERA loan approved in Case No. WF-93-270 is paid off or on July 1, 1998 whichever shall first occur.

SCHEDULE OF RATES

RESIDENTIAL RATE SCHEDULE

Availability: The following monthly charges apply in those situations where the occupant is receiving metered water service through the Company's standard meter primarily for domestic or household uses, and is adjacent to the Company's mains:

Customer charge:

For the first 2,000 gal. or less per month \$9.02
 (This charge is applicable whether any water is used or not.)

Commodity charge:

For each 1,000 gal. per month above first 2,000 gallons 2.23

COMMERCIAL RATE SCHEDULE

Availability: The following monthly charges apply in those situations where the occupant is receiving retail water service primarily for uses other than domestic or household purposes. This rate schedule assumes the use of a meter of the same size as that utilized in providing residential service. If a different meter is required, special charges will apply.

Customer charge:

For the first 2,000 gal. or less per month \$9.02
 (This charge is applicable whether any water is used or not.)

Commodity charge:

For each 1,000 gal. per month above first 2,000 gallons 2.23

Sales, Gross Receipts, Occupation or Franchise Taxes:

There shall be added to the customer's bill as a separate item an amount equal to the proportionate part of any sales, license, occupation, franchise or other similar fee or tax now or hereafter imposed upon the Company by any municipality or any other governmental authority, whether imposed by ordinance, franchise or otherwise, in which the fee or tax is based upon a percentage or gross receipts, net receipts, revenue or income from the provision of water service by the Company. When such tax or fee is a stated amount, a pro rata portion of such tax or fee shall be included as a separate item on the customer's bill and shall be calculated by applying thereto the same percentage factor as the total annual amount of the tax bears to the gross receipts of the Company from sale of water during the preceding calendar year to customers located within the boundaries of the taxing entity. These tax or fee amounts shall be added to the customer's bill only where water is purchased by customers located within the boundaries of the entity imposing such tax.

Rule 1 DEFINITIONS (continued)

MISSOURI
Public Service Commission

(g) A "CROSS CONNECTION" is any potential connection or structural arrangement between the Company's system and any other source or system through which it is possible to introduce into any part of the public water system any used water, industrial fluid, gas or substance other than the intended potable water with which the jumper connections, removable section, swivel or changeover devices through which, or because of which, backflow can or may occur are considered to be cross connections.

(h) The "CUSTOMER" is any person, individual, partnership, association, corporation or governmental body which has contracted with the Company for water service to a unit or is receiving water service from the Company to a unit, or whose facilities are connected for utilizing water service to a unit.

(i) The "DATE OF CONNECTION" shall be the date the application for service connection is issued by the Company. In the event no application is filed and a service connection is made, the date of connection shall be determined by the Company based on available information, such as construction/occupancy permits, or sewer or electric service turn-on dates.

(j) A "DEVELOPER" shall mean a person or group of persons who has or intends to sell two (2) or more lots, parcels or tracts of land to others for the purpose of constructing thereon any type of building.

Rule 1 DEFINITIONS (continued)

- (g) A "CROSS CONNECTION" is any actual potential connection or structural arrangement between the Company's system and any other source or system through which it is possible to introduce into any part of the public water system any used water, industrial fluid, gas or substance other than the intended potable water with which the system is supplied. Bypass arrangements, jumper connections, removable sections, swivel or changeover devices through which or because of which, backflow can or may occur are considered to be cross connections.
- (h) The "CUSTOMER" is any person, individual, partnership, association, corporation or governmental body which has contracted with the Company for water service to a unit or is receiving water service from the Company to a unit, or whose facilities are connected for utilizing water service to a unit.
- (i) The "DATE OF CONNECTION" shall be the date the application for service connection is issued by the Company. In the event no application is filed and a service connection is made, the date of connection shall be determined by the Company based on available information, such as construction/occupancy permits, or sewer or electric service turn-on dates.
- (j) A "DEVELOPER" shall mean a person or group of persons who has or intends to sell two (2) or more lots, parcels or tracts of land to others for the purpose of constructing thereon any type of building.
