Secretary of the Commission
Missouri Public Service Commission
PO Box 360 Jefferson City, MO 65102-0360

Dear Secretary:

Enclosed for filing with the Commission are revisions to the following Switched Access Services tariff page and General Regulations – VoIP-PSTN Traffic tariff page of the CLEC **SureWest Kansas, Inc. (SureWest)**, bearing an issue date of June 19, 2015, of its Missouri P.S.C. Tariff No. 6:

Section 2.3.9.1, 2nd Revised Page 27
Section 3, 8th Revised Page 57

This filing revises SureWest's Missouri P.S.C. Tariff No. 6, Section 3.8, Switched Access Rates and Charges, to incorporate concurrence references to the SureWest Kansas, Inc. FCC Tariff No. 1 for Terminating Switched Access rates. The referenced Terminating Switched Access rates in SureWest's FCC Tariff No. 1 comply with the Federal Communications Commission (FCC) Report and Order and Further Notice of Proposed Rulemaking, FCC 11-161, WC Docket Nos. 10-90 et al. adopted October 27, 2011, and are in parity to current and proposed F.C.C. rates of the underlying ILEC exchange areas where SureWest operates, specifically Southwestern Bell Telephone Company, including the rate parity of 800 Number Portability Access Service.

Further, SureWest revised text in Section 2.3.9.1 (Page 27), VoIP-PSTN TRAFFIC, to reflect in this section the current "FCC Order" reference.

Accordingly, SureWest respectfully requests the tariff sheets submitted herein become Effective July 1, 2014.

Please return a stamped copy of the tariff sheets upon Commission approval. If you have any questions concerning this filing, please contact me at 916-786-1597, or via email floyd.jasinski@consolidated.com.

Sincerely,

/s/ Floyd Jasinski
