Dear Secretary of the Commission:

Attached for filing with the Commission are proposed changes to Southwestern Bell Telephone Company, d/b/a AT&T Missouri's Access Services Tariff, P.S.C. Mo. - No. 36. The purpose of this clean up filing is to remove references to Feature Group C service. This filing has no impact on any access customer, intercompany compensation, the exchange of traffic with other carriers, or the records provided to other carriers. This filing also includes corrections to the Table of Contents to correspond to the tariff filing approved by the Commission in JI-2013-0499.

The proposed tariff changes are reflected on the attached tariff sheets with issued and effective dates of October 15, 2013 and November 14, 2013, respectively.

Please refer any questions on this matter to me on 785-276-8786.

Very truly yours,

/s/ Ann Hughes

I certify that a copy of the foregoing, including attachments, is being sent via e-mail to the Office of Public Counsel at opcservice@ded.mo.gov this 15th day of October 2013.
