

Section III

GENERAL RULES AND REGULATIONS

SUSPENSION OF SERVICE (VACATION RATE)

Upon request from a subscriber having any class of exchange service, except business, the service may be suspended for a period of one month or more. No outward or inward service is provided during the period of suspension. Only one period of suspension, not to exceed four months, is allowed in any calendar year.

Temporary suspension of service may begin and terminate on any day of the month, provided reasonable notice is given in advance. The appropriate service connection charges for restoration of service will apply.

The reduction in rate for the period of suspension is equal to 50 per cent of the exchange service charges, including charges for extension stations and directory listings.

Bills are rendered at the regular rate at regular billing dates during the period of suspension. Payment for local service equal to the anticipated suspension period shall be made in advance and the allowance applied after the service is restored.
