**ORDER APPROVING TARIFF**

Issue Date: December 22, 2018

Effective Date: January 2, 2019

On December 14, 2018, Union Electric Company d/b/a as Ameren Missouri (“Ameren Missouri”) and the Staff of the Missouri Public Service Commission (“Staff”) filed a *Stipulation and Agreement* (“Agreement”), attached as Attachment 1. On December 18, 2018, Ameren Missouri filed tariff sheets in accord with the Agreement as well as a motion for expedited treatment. Those tariff sheets show an effective date of January 17, 2019. Ameren Missouri requests that the tariff sheets become effective on January 2, 2019.

On December 19, 2018, the Commission issued its *Order Setting Time for Responses to Tariff*, allowing until 12:00 p.m. on December 21, 2018, for any responses to tariff YG-2019-0119. No objections to the tariff were received.

On December 19, 2018, the Commission delegated its adjudicative authority to approve the tariff and make a determination if good cause exists for the tariff to take effect in less than thirty days to the regulatory law judge assigned to this file under Section 386.240 RSMo, 2016. The Commission finds that good cause exists for the proposed tariff sheets to take effect in less than 30 days because the Agreement contemplates the interim reduction as a resolution of File No. GR-2018-0227, to promptly reduce rates in recognition of the amounts Ameren Missouri will save due to a federal income tax reduction resulting from the Tax Cuts and Jobs Act of 2017. The submitted tariff should

be approved expeditiously so that the rate reduction can go into effect as soon as possible. Therefore, the submitted tariff will be approved to become effective with less than thirty days' notice.

**THE COMMISSION ORDERS THAT:**

1. The proposed tariff sheets submitted under Tariff No. YG-2019-0119, by Union Electric Company d/b/a Ameren Missouri are approved, effective on and after January 2, 2019. The specific tariff sheets approved are:
