**ORDER DIRECTING KANSAS CITY POWER & LIGHT TO RESPOND TO  
REQUEST TO RESTORE POWER DURING PENDENCY OF  
COMPLAINT**

Issue Date: July 12, 2006

Effective Date: July 12, 2006

Anthony Broughton filed a complaint against Kansas City Power & Light Company on July 7, 2006. In that complaint, Mr. Broughton alleges that KCPL improperly added charges owed by another person to the bill for his residential account. Mr. Broughton's complaint indicates that he has not paid the disputed amount and that as a result, KCPL has disconnected his service. Mr. Broughton asks that the Commission direct KCPL to restore electric service to his residence.

The Commission has, in a separate order, notified KCPL of the complaint and allowed it 30 days in which to file its answer to that complaint. However, given the fact that Mr. Broughton is currently without electric service, the Commission will direct KCPL to respond more quickly to Mr. Broughton's request that KCPL be ordered to restore his electric service while the Commission considers the merits of his complaint.

**IT IS ORDERED THAT:**

1. Kansas City Power & Light Company shall file a response to Anthony Broughton's request for restoration of electric service during the pendency of his complaint not later than 1:00 p.m. on July 14, 2006.
2. This order shall become effective on July 12, 2006.
