Missouri School Discount Program

**MISSOURI
Public Service Commission**

1. A discount from standard monthly rates for local exchange service may be allowed in connection with service furnished through the Missouri School Discount Program, pursuant to the Video Instructional Development and Educational Opportunity Program, as enacted by the Missouri State Legislature.
2. Upon the customer's request, a discount of twenty percent (20%) from standard monthly access line rates may be allowed to educational institutions within the Company's certified area, as determined in Paragraph .3, following.
3. An educational institution shall be defined as an accredited public or private school in the state of Missouri. Private schools must be accredited by either the Missouri Chapter of the National Federation of non-Public Schools Accrediting Association, Independent Schools Association of The Central States, North Central Association of Colleges and Schools, and/or the University of Missouri - Columbia. Public schools must be accredited by the Department of Elementary and Secondary Education for the State of Missouri and/or the North Central Association of Colleges and Schools.
4. The qualifying discount will be permitted only on the local exchange access line. All other features, ancillary services or options, relative to the particular service, shall continue to be billed at the appropriate tariffed rates.
5. The qualifying discount will be permitted only where the predominant use is providing educational and instructional programs and for the educational institutions' administrative use. The discount is not allowed to residential complexes associated with the institution.
6. In addition to meeting the qualification specified in Paragraph .3 preceding, an eligible customer must sign an affidavit certifying that the qualification is met. The affidavit will be retained on file with the Company.
7. The customer should request to receive the discount on all subsequent additions of eligible services which are ordered. There will be no additional affidavits required.
8. The following local exchange services are eligible for a discount under this program:

- Flat Rate, business one-party service.

LIFELINE SERVICE

A. General Regulations

1. Lifeline service is available to qualifying low-income subscribers for single-party residence service.
2. The monthly discount will be the maximum amount allowed by the Missouri Public Service Commission and the Federal Communications Commission; however, this discount will not exceed the sum of the federal subscriber line charge and the recurring charges for voice telephony service. The monthly discount will be the same for Lifeline customers solely subscribing to voice telephony service and for Lifeline customers subscribing to a bundle.
3. Lifeline will not be furnished on a Foreign Exchange service.
4. Lifeline service shall not be disconnected for non-payment of toll charges.
5. Toll blocking provides a means of restricting access to the Long Distance Message Telecommunications Network. Toll blocking for the purposes of lifeline service will restrict 1+, 0+ and 0- (operator handled) calls.
 - a. If the customer chooses "toll blocking" the company will not charge a service deposit.
 - b. Toll blocking is offered to Lifeline subscribers at no charge.

A. General Regulations

**MISSOURI
Public Service Commission**

1. Lifeline service is available to qualifying low-income subscribers for single party residence service.
2. Lifeline service is a reduction in the monthly local service charges normally paid by qualifying low-income consumers. Eligible Lifeline subscribers will receive a total reduction of their basic local rate for residential one party service of \$5.25. The components of the reduction to basic residential one-party rates are as follows:

State reduction in local rate:	\$1.75
Federal baseline Lifeline reduction:	\$3.50

The Federal baseline lifeline reduction shall be used to waive the consumers Federal End-User Common Line charge.

3. Lifeline will not be furnished on a Foreign Exchange service.
4. Lifeline service shall not be disconnected for non-payment of toll charges.
5. Toll blocking provides a means of restricting access to the Long Distance Message Telecommunications Network. Toll blocking for the purposes of lifeline service will restrict 1+, 0+ and 0- (operator handled) calls.
 - a. If the customer chooses "toll blocking" the company will not charge a service deposit.
 - b. Toll blocking is offered to Lifeline subscribers at no charge.

GENERAL RULES AND REGULATIONS

A. OBLIGATION AND LIABILITY OF TELEPHONE COMPANY

1. Availability of Facilities

The Telephone Company's obligation to furnish exchange and toll service is dependent upon its ability to secure and retain, without unreasonable expense, suitable facilities and rights for the construction and maintenance of the necessary pole lines, circuits and equipment.

FILED

NOV 17 1954

2. Interruptions of Service

If service is interrupted for more than 48 hours other than by the negligence or willful act of the subscriber, an allowance at the minimum rate for the telephone facilities and class of service affected at the time of the interruption shall be made for the time such interruption continues, after notice and demand to the Company. No other liability shall in any case attach to the Company on account of interruptions of service.

PUBLIC SERVICE COMMISSION

3. Directory Errors and Omissions

a. The Telephone Company, except as provided herein, shall not be liable for damage claimed on account of errors in or omissions from its directories nor for the result of the publications of such errors in the directory nor will the Telephone Company be a party to controversies arising between subscribers or others as a result of listings published in its directories. Claims for damages on account of interruptions to service due to errors or omissions in directory listings will be limited to a pro rata abatement of the charge for such of the subscriber's service as is affected, the maximum abatement not to exceed one-half the service charges for the period from the date of issuance of the directory in which the mistake occurred to the date of issuance of a new directory containing the proper listing.

4. Transmitting Messages

NOV 17 1954

The telephone company does not transmit messages but offers the use of its facilities for communications between patrons. If because of transmission difficulties the operator, in order to accommodate the subscriber, repeats messages she is deemed to be acting as the agent of the persons involved and no liability shall attach to the Telephone Company because of any errors made by the operator or misunderstandings that may arise between subscribers because of the errors.

MISSOURI PUBLIC SERVICE COMMISSION

5. Use of Connecting Company Lines

When suitable arrangements can be made, lines of other telephone companies may be used in establishing wire connections to points not reached by this Company's lines. In establishing connections with the lines of other Companies, the Telephone Company is not responsible or liable for any action of the Connecting Company.

6. Defacement of Premises

The Telephone Company shall exercise due care in connection with all work done on subscriber's premises. No liability shall attach to the Telephone Company by reason of any defacement or damage to the subscribers' premises resulting from the

7. Adjustment of Charges

In the adjustment of charges for overbilling by the Telephone Company, a refund will be made of the full amount of excess charges when such amount can be determined; when the period during which overbilling has been effective cannot be fixed or the exact amount of overbilling determined from available records, the maximum refund will not exceed an estimated amount equal to such overbilling for a three year period.

8. The Telephone Company will make reasonable effort to cure any material failure to provide service caused solely by year 2000 defects in the Telephone Company's hardware, software, or systems. Due to the interdependence among telecommunications providers and the interrelationship with non-Telephone Company service processes, equipment and systems, the Telephone Company is not responsible for failures caused by circumstances beyond its control including, but not limited to, failures caused by: (1) the Customer; (2) other telecommunications companies as defined by Missouri statute; or (3) customer premises equipment. In addition, the Telephone Company does not ensure compatibility between the Telephone Company and non-Telephone Company services used by the Customer.

1. Application for Service

PUBLIC SERVICE COMMISSION

a. Applications for service must be made on the Telephone Company's standard form of application. These applications become contracts when accepted in writing by the Telephone Company, or upon the establishment of service. Applicants for service are required to pay in advance at the time application is made, all charges accruing for the first billing period for exchange service and equipment, and the service connection charge if applicable. The terms and conditions specified in such contracts are subject to these General Rules And Regulations, the General Exchange Service Tariffs and the Local Exchange Service Tariffs for the particular exchange from which service is to be furnished. Any change in rates, rules or regulations shall act as a modification of the contract to that extent, without further notice.

E. DEPOSITS AND GUARANTEES OF PAYMENT FOR RESIDENTIAL CUSTOMERS MISSOURI Public Service Commission

- 1. The Company may require a deposit or guarantee prior to providing new service or as a condition of continued service. The Company may require a deposit or guarantee as a condition of continued service if:
 - a. The customer has delinquent charges in two (2) out of the last twelve (12) billing periods; or
 - b. The customer has had service disconnected for nonpayment of a delinquent charge or failed to post a required deposit or guarantee.
- 2. In lieu of a deposit, Company may accept a written guarantee. The guarantee shall not exceed the amount of a cash deposit that the Company could request under this section.
- 3. No deposit, guarantee, additional deposit nor additional guarantee will be required by the Company because of race, sex, creed, national origin, marital status, age, number of dependents, source of income, disability or geographical area of residence.
- 4. Terms of Deposits:
 - a. Deposits shall not exceed the estimated charges for two (2) months' service based on the average bill during the preceding twelve (12) months, or, in the case of new applicants for service, the average monthly bill for new subscribers within a customer class.
 - b. The deposit shall bear interest at a rate which is equal to one percent (1%) above the prime lending rate as published in the *Wall Street Journal*. This rate shall be adjusted annually on December 1 using the prime lending rate, as published in the *Wall Street Journal* on the last business day of September of each year, plus one percent (1%). The interest shall be credited annually upon the account of the customer or paid upon the return of the deposit, whichever occurs first. Interest shall not accrue on any deposit after the date on which a reasonable effort has been made to return it to the customer.
 - c. Upon discontinuance or termination of service, the deposit will be credited, with accrued interest, to the charges stated on the final bill, and any balance will be returned to the customer within twenty-one (21) days of the rendition of the final bill.

2. Amount of Deposits

The amount of deposit required for the purpose of establishing a subscriber's credit shall not exceed estimated charges for two (2) months' service based on the average bill during the + preceding twelve (12) months or in the case of new applications for service, the average monthly bill for all subscribers within a customer class. The customer may, concurrent with the beginning of service, post a deposit in two (2) equal monthly installments or as other wise agreed upon. The Telephone Company may require the subscriber to increase the amount of the deposit within the limits perscribed + elsewhere in this Tariff.

For businesses deposits may be of an amount up to the estimated bill for exchange service and toll for one normal billing period plus 30 days. Estimates shall be arrived at by agreement between the business customer and the Telephone Company.

3. Deposit Not to Affect Regular Collection Practices

The fact that a deposit has been made shall in no way relieve the applicant or subscriber from complying with the Telephone Company's regulations as to advance payments and the prompt payment of bills on presentation; nor consitute a waiver or modification of the regular practices of the Telephone Company providing for the discontinuance of service for non-payment of any sums due the Telephone Company for services rendered. 2. Amount of Deposits

The amount of deposit required for the purpose of establishing a subscriber's credit shall not exceed estimated charges for two (2) months' service based on the average bill during the preceeding twelve (12) months or estimated for the next (12) months by the customer and the Telephone Company. The customer may, concurrent with the beginning of service, post a deposit in two (2) equal monthly installments or as otherwise agreed upon. The Telephone Company may require the subscriber to increase the amount of the deposit within the limits perscribed above at any time if, in its opinion, the charges billed against the subscriber are found to warrant such an increase.

For businesses deposits may be of an amount up to the estimated bill for exchange service and toll for one normal billing period plus 30 days. Estimates shall be arrived at by agreement between the business customer and the Telephone Company.

3. Deposit Not to Affect Regular Collection Practices

The fact that a deposit hasbeen made shall in no way relieve the applicant or subscriber from complying with the Telephone Company's regulations as to advance payments and the prompt payment of bills on presentation; nor consitute a waiver or modification of the regular practices of the Telephone Company providing for the discontinuance of service for non-payment of any sums due the Telephone Company for services rendered. The Company may discontinue service to any subscriber failing to pay current bills without regard to the fact that such subscriber has made a deposit with the Company to secure payment of such bills or has furnished the Company with a guarantee in writing of such bills.

1.1 INSTALLATION OF TELEPHONE LINES WITHIN SUBDIVISION (1). TELEPHONE LINES CONSTRUCTED, INSTALLED AND OWNED BY UTILITIES IN SUBDIVISIONS SHALL BE INSTALLED UNDERGROUND.

1.1.1 The following definitions are used in this section of the tariff:

APPLICANT: The developer, builder, or other person, partnership, association, firm, private or public corporation, trust, estate, political subdivision, governmental agency, or other legal entity recognized by law, applying for the construction of a telephone distribution system in a subdivision.

BUILDING: A single structure roofed and enclosed within exterior walls, built for permanent use, erected, framed of component structural parts and unified in its entirety both physically and in operation for single-family residential occupancy in a subdivision (Definition excludes mobile home).

SUBDIVISION: A lot, tract, or parcel of land divided into two or more lots, plots, sites or other divisions for use for new residential buildings or the land on which is constructed new multiple-occupancy buildings per a recorded plot thereof if such recordation is required by law.

1.1.2 The Telephone Company upon receipt of the applicant's proper application will install an underground telephone system with suitable materials to assure that the applicant will receive reasonably safe and adequate telephone service. The provision of the underground telephone system will be provided at no charge except where a charge is permitted under Paragraphs 1.1.4 and 1.1.6 of this section of the Tariff. Temporary service is provided under Paragraph 1.1.5 of this section of the Tariff.

1.1.3 RIGHTS-OF-WAY AND EASEMENTS

A. Within the applicant's subdivision, the Telephone Company will construct, own, operate, and maintain underground telephone lines only along public streets, roads, and highways which the Telephone Company has the legal right to occupy, and on public lands and private property across which rights-of-way and easements satisfactory to the Telephone company may be obtained without cost or need for condemnation by the Telephone Company.

B. Rights-of-way and easements, within the subdivision, satisfactory to the Telephone Company, must be furnished by the applicant in reasonable time to meet construction and service requirements before the Telephone Company shall be required to commence its installation. Such rights-of-way and easements must be cleared of trees, tree stumps, and other obstructions and graded to within six inches of final grade, by applicant, at no charge to the Telephone Company. Such clearance and grading must be maintained by the applicant during construction by the Telephone Company.

1.1.4 ADVANCE PAYMENTS

A. Where, due to the manner in which a subdivision is developed, the Telephone Company is required to construct an underground telephone distribution system through a section or sections of the subdivision where service will not be connected for at least two years, then the Telephone Company may require an advance payment equal to the estimated cost of construction from the applicant before construction is commenced. If in the judgment of the Telephone Company an advance is required under the above described conditions, the Telephone Company has the right to refuse installation of the underground system until the required advance is paid to the Telephone Company.

B. If an advance is required under these rules, then the advance, without interest, shall be returned to the applicant on a pro rata basis as the permanent service connections are made to each building or multiple-occupancy building.

GENERAL RULES AND REGULATIONS
DIRECTORY LISTINGS

A. GENERAL REGULATIONS

1. The regulations for directory listings, as provided in this section apply only to the information records and the alphabetical directory or that section of the directory containing the regular alphabetical list of names of subscribers.
2. The alphabetical list of names of subscribers is designed solely for the purpose of informing calling parties of the telephone numbers of subscribers and those entitled to use subscribers' service. Special arrangement of names is not contemplated, nor any form of listing which does not facilitate directory service or is otherwise objectionable or unnecessary for purposes of identification.
3. Names in directory listings shall be limited to the following:
 - a. In connection with residence service:
 - (1) The individual name of the subscriber, or
 - (2) The individual name of a member of the subscriber's family or a joint user.
 - b. In connection with business service:
 - (1) The individual name of the subscriber or joint user, or
 - (2) The name under which the subscriber or joint user is actually doing business as evidenced by signs on the premises, by letterheads, and by name under which a bank account is carried, or

B. REGULAR EXTRA LISTINGS

PUBLIC SERVICE COMMISSION

- 1. Business extra listings may be the names of partners or members of the firm, if the subscriber or joint user is a partnership or firm; the names of officers of the corporation, if the subscriber or joint user is a corporation; and for any business establishment, the names of associates or employees of the subscriber or joint user. No other class of listing, such as service, agency, commodity, etc., will be accepted.
- 2. Residence extra listings may be the names of members of the subscriber's immediate family.
- 3. In connection with semi-public telephone service, extra listings are allowed at regular extra listing rates in the names of permanent guests or tenants at that location. Regular Extra Listing rates in connection with semi-public stations are furnished under the same regulations as specified in paragraph 1, above.
- 4. Ordinarily, all extra listings must be of the same address and telephone number as the primary listing, except as provided below for alternate listings. However, when in the opinion of the Telephone Company it appears necessary as an aid to the use of
