RE: File No. JG-2017-0074 – Revised Filing

Dear Mr. Woodruff:

The enclosed tariff sheet 81 replaces tariff sheet 81 of Union Electric Company d/b/a Ameren Missouri (Ameren Missouri or the Company), which was filed as a revision of Schedule No. 2, Schedule of Rates for Gas, on November 18, 2016. The following list represents all of the sheets that were filed on November 18:

<u>Filed</u>	<u>Canceling</u>
13th Revised Sheet No. 78	12th Revised Sheet No. 78
11th Revised Sheet No. 79	10th Revised Sheet No. 79
11th Revised Sheet No. 80	10th Revised Sheet No. 80
12th Revised Sheet No. 81	11th Revised Sheet No. 81
3rd Revised Sheet No. 81.1	2nd Revised Sheet No. 81.1
1st Revised Sheet No. 81.2	Original Sheet No. 81.2
9th Revised Sheet No. 82	8th Revised Sheet No. 82
7th Revised Sheet No. 83	6th Revised Sheet No. 83
4th Revised Sheet No. 84	3rd Revised Sheet No. 84
5th Revised Sheet No. 85	4th Revised Sheet No. 85

This revised Sheet No. 81 contains the only revision between the November 18 version and today's version. This revision more specifically defines terminology that may have been too ambiguous. Specifically, the term "regulatory rate review" is revised to read "general rate proceeding," a term defined by 4 CSR 240-3.161 and consistent with the intent behind the previous "regulatory rate review" language. Please note that this is a substantive and clarifying, amendment to the language previously submitted. Ameren Missouri has retained the tariff sheet issue date of November 18, 2016, with an effective date on and after December 18, 2016.

The purpose of this filing is to extend the Company's natural gas energy efficiency programs through December 31, 2019 or through the date Ameren Missouri's next general rate proceeding for natural gas service, whichever occurs first. The changes to the program term, measures offered and process for changing incentive amounts have been discussed with the energy efficiency stakeholder group, including Staff, and Staff's suggestions have been incorporated. No party objected to the proposed revisions prior to filing.

Sincerely,

Paula N. Johnson
