Re: MCI Communications Services, Inc. Notice of Corporate Name Change

Dear Director:

MCI Communications Services, LLC d/b/a Verizon Business Services (“MCICS LLC”), a certified interexchange long distance service provider, respectfully notifies the Missouri Public Utilities Commission (“Commission”) of its name change from MCI Communications Services, Inc. (“MCICS, Inc.”) as the result of its conversion from a corporation to a limited liability company effective June 30, 2020. MCICS LLC has registered the new name with the Missouri Secretary of State and the corresponding documents are attached. We respectfully request that the Commission update its records to reflect this change in corporate name.

This change will have no impact on the provision of services by MCICS LLC, nor its management or operations. The transaction does not result in a change to customers' rates, terms, and conditions of services offered to customers. Customers were notified of the name change via a bill message on May bills. The EFIS contacts are current for MCICS LLC.

Any questions you may have regarding this matter should be directed to my attention at karl.tucker@verizon.com or 908-758-0808.

Thank you for your attention to this matter.

Respectfully submitted,

Karl Tucker
