SECTION 3 - DESCRIPTION OF SERVICE, CONT'D.

3.5 Miscellaneous Rates and Charges, Cont'd.

3.5.5 Validation Surcharge

An eight percent (8%) per-call surcharge will be applied to the base rate of all calls. The base rate of a call is set forth in Section 4 following, and does not include any applicable taxes, fees, or other surcharges that may apply to the call. The Validation Surcharge is applied to recover revenue lost due to the difficulty of rating calls and the cost of verifying the geographic location of the called party for security purposes pursuant to Correctional Institution contracts

3.5.6 Biometric Service Charge

Biometric Service is an optional service that provides validation of an inmate's identity through unique personal verification, such as, but not limited to, voice verification technology, for purposes of improved security and reduced potential fraud and Customer harassment by inmates. This charge applies to automated calls placed by inmates of correctional facilities when such calls are provided through the Company's own processing equipment. Where Biometric Service is requested by correctional facilities, this charge applies in addition to all applicable institutional rates and charges specified in this tariff.
