**RE: New London Telephone Company,  
Access Tariff Concurrence Exception**

Dear Secretary:

Included in this submission are the following tariff pages for New London Telephone Company:

**Section 11 Second Revised Sheet 1**

The purpose of this filing is to modify the Company's Rates and Charges portion of the Access Services Concurrence Exception section of the tariff. The modifications are in response to the Federal Communications Commission's Report and Order and Further Notice of Proposed rulemaking, WC Docket Nos. 10-90 et al., FCC 11-161 (Released Nov 18, 2011).

As New London Telephone Company concurs in the Stoutland Telephone Company d/b/a TDS Telecom Tariff, we have removed elements which are not exceptions to Stoutland and therefore do not need to be tariffed.

The proposed effective date for this filing is July 1, 2014.

If you have any questions, please feel free to contact me.

Sincerely,

A handwritten signature in blue ink, appearing to read "Kris A. Groth", is written over the word "Sincerely,".
