XO is offering the following Satisfaction Guarantee to new customers purchasing services. This offer is available to a New Customer, which is defined as a Customer who has not subscribed to any XO service during the one year period prior to subscribing to new XO service. A New Customer may cancel its new Service, without incurring contractual penalties, within three (3) months of the Service installation date if the New Customer is not completely satisfied with the Services provided by XO. (A month is equal to 30 calendar days.) In order to be eligible for this offering, a New Customer must not have received telecommunications service from another Service Provider at the location to which the new XO services are provided, or the New Customer must switch back to the Service Provider that provided New Customer's telecommunications service prior to New Customer subscribing to the new XO service.

New Customer must allow XO a minimum of 30 days from the day of New Customer's notice, for the cancellation of the Services, including re-connection to the original Service Provider. After receipt of New Customer's timely notice, XO, in conjunction with the termination of New Customer's Service, will waive any applicable contract termination charges.

XO also will reimburse the New Customer for any installation charges incurred by New Customer to restore the New Customer to its previous Service Provider at the identical level and type of service provided by the previous Service Provider at the same customer location. In order to receive the reimbursement, the New Customer must, within (3) months of the installation date, provide XO with the following: (1) the XO reimbursement form; (2) a copy of the invoice from the other Service Provider posting the non-recurring charges for restoring New Customer's service to the other Service Provider; and (3) a copy of the last invoice that the New Customer had received from the other Service Provider prior to switching to XO, if applicable.
