**CUSTOMER NOTICE**

Due to recent changes mandated by the Federal Communications Commission (FCC), Steelville Telephone Exchange, Inc. must raise its local service rates to \$14.00 per line, per month. Effective June 1, 2013, Steelville's local rates will increase from \$10.00 to \$14.00 per month for Residential service. Local rates for Business service will increase from \$14.45 to \$18.00 per month. At the same time this change is implemented, Steelville will also provide Calling Number Delivery (currently a \$6.00 per month charge) at no additional charge as part of its local service. Therefore, customers who currently subscribe to Calling Number Delivery will actually see a slight reduction in their local service bill. In addition, Business service customers will receive Call Waiting (\$1.50), Call Forwarding (\$1.50), and Call Return (\$3.00) features at no additional charge (as Residence service customers currently do today). If you have any questions, please contact our business office at 573-775-2111.
