4.22 LCI International Prepaid Debit Card

Service Commission

Rates: The following is based on the units of each debit card. (1-unit = 1-minute). LCI International Prepaid Debit Card rate is \$0.30 per unit. There is a minimum of 10 units per card per order.

Recharge Rate: The following is the rate for adding additional units to a debit card by charging the cost to various credit cards:

Rate: \$0.40 (per unit)

There is a minimum re-charge requirement of 30 minutes (units) on each debit card. The maximum number of units that can be re-charged is 120 minutes.

Expiration: A card is active for one (1) year after a customer re-charges a minimum of 30 units (minutes). Once a card has expired it cannot be re-activated. Every time the card is re-charged the clock is set for another year, however, the card will expire if it is not recharged again during that one year period regardless of the remaining minutes on the card.

\* An "Operator Surcharge" applies when the caller: (1) enters nothing, defaults to an operator and requests the QCC operator to complete the call; or, (2) has the ability to complete the dialed digits of their call, but chooses to dial the appropriate operator code only (e.g., 0-, 00, 10432), and requests the QCC operator to complete the call. This surcharge will be in lieu of the existing per call surcharge. In addition, this surcharge will apply to all month-to-month customers as well as new term customers who subscribe to Simply Business. Customers who are currently on term plans will not incur this surcharge until their contracts renew.
