- A. Sheet Numbering - Sheet numbers appear in the upper right corner of the page. Sheets are numbered sequentially. However, new sheets are occasionally added to the tariff. When a new sheet is added between sheets already in effect, a decimal is added. For example, a new sheet added between sheets 8 and 9 would be 8.1.
- B. Sheet Revision Numbers - Revision numbers also appear in the upper right corner of each page. These numbers are used to determine the most current sheet version on file with the Missouri Public Service Commission. For example, the 3rd revised Sheet 8 cancels the 2nd revised Sheet 8.
- C. Paragraph Numbering Sequences - There are nine levels of paragraph coding. Each level of coding is subservient to the next higher level.

3.1 Undertaking of the Company

3.1.1 Scope

The Company undertakes to provide telecommunication Services in accordance with the terms and conditions set forth in this tariff.

3.1.2 Shortage of Facilities

The Company's Service is subject to availability of suitable facilities. The company reserves the right to limit the length of communications or to discontinue furnishing Service when necessary because of lack of satellite or other transmission medium capacity or because of any force majeure condition.

3.1.3 Liability of the Company

(A) Except as stated in this Section 3.1.3, the Company shall have no liability for damages of any kind arising out of or related to events, acts, rights or privileges contemplated in this tariff. This tariff does not limit the liability of the Company for willful misconduct.

(B) The liability of the Company for damage resulting in whole or in part from, or arising in connection with, the furnishing of Service under this tariff, including but not limited to mistakes, omissions, interruptions, delays, errors, or other defects or misrepresentation shall not exceed the dollar amount of the call in which the Service disruption occurred. Such dollar amount shall be credited on the customers next billing cycle.

3.2 Use of Service

The Company's Service may be used to transmit communications of the Customer in a manner consistent with the terms of this tariff and the policies and regulations of the Federal Communications Commission.

(A) The Service is provided for use by the Customer and may be used by others, when so authorized by the customer, providing that all such usage shall be subject to the provisions of this tariff.

(B) The Service is furnished subject to the condition that it will not be used for an unlawful purpose, and there will be no abuse or fraudulent use of the Service. Abuse or fraudulent use of the service includes, but is not limited to;

1. The use of the Service of the Company to transmit a message or to locate a person or otherwise to give or obtain information without payment of the charge applicable to the Service.
2. The obtaining, or attempting to obtain, or assisting another to obtain or attempt to obtain, Long Distance Message Telecommunications Service by rearranging, tampering with or making connection with any service components of the Company or by any trick, scheme, false representation or false credit device, or by or through any other fraudulent means or device whatsoever with intent to avoid payment, in whole or in part, of the regular charge for such Service.
3. The use of the Service of the Company for a call or calls, anonymous or otherwise, if in a manner reasonably to be expected to frighten, abuse, torment or harass another.
4. The use of profane or obscene language.

3.2 Use of Service (continued)

5. The use of the Service in such a manner as to interfere unreasonably with the use of the Service by one or more other Customers, or harm the facilities of the Company or others.

(C) In the event the Company determines, in its sole judgement, that there is fraudulent use of either the Services furnished by the Company or the Company's network, the Company will, without notice to the Customer or liability to the Company, discontinue Service and/or seek legal recourse to recover from the Customer all costs involved in enforcement of this provision.

3.3 Payment for Service

The Customer is responsible for payment of all charges for Service provided by the Company. The per-minute rates for the Prepaid Calling Card contained in Section 4.5.B herein include all applicable Federal, state and local sales, use and excise taxes. In all other cases, applicable taxes appear as separate line items on the Customer's invoice.

3.4 Discontinuance of Service

3.4.1. The Company may discontinue the service under the following circumstances, provided suitable notice has been given to the customer, as required.

A. Non-payment of any sum due to the Company for service for more than twenty-eight (28) days beyond the date of rendition of the bill for such services; or

(A) Service shall be provided and billed for on a monthly basis. Service shall continue to be provided until the Company's receipt of a request from the Customer for the disconnection of the Service, unless other restrictions apply. Payment is to be made to the address designated on the invoice or such other location as the Company may direct in writing from time to time. In addition to charges for the Company's Service, the Customer shall pay any applicable Federal, state or local use, excise, sales or privileges taxes or assessments such as the Universal Service Fund assessment, resulting from the Services furnished by the Company. Such taxes or assessments shall not be counted toward the attainment of any volume or revenue commitment and will not be discounted.

(B) The Customer is responsible for payment of all charges for Service furnished by the Company. This includes payment for calls or Service:

1. originated at the Customer's number(s) whether authorized or not;
2. accepted at the Customer's number(s) (e.g. 800/888/877 Service);
3. billed to the Customer's number via third number billing, a calling card, a Company-assigned Authorization Code, or other special billing number; or
4. incurred at the request of the Customer.

(C) The Customer's responsibility for payment of all charges for Service furnished by the Company is not changed by virtue of any use, misuse, or abuse of the Customer's Service or Customer-provided systems, equipment, facilities or Services interconnected to the Customer's 800/888/877 Service, which may be occasioned by third parties, including, without limitation, the Customer's employees, guests and/or members of the public who dial the Customer's

- (1) the through transmission of signals generated by Customer-provided equipment or for the quality of, or defects in, such transmission;
- (2) the reception of signals by Customer-provided equipment; or
- (3) network control signaling where such signaling is performed by Customer-provided network control signaling equipment.

3.10 Determination and Rendering of Charges

(A) For billing purposes, Service will be deemed to be started on the day the Service and its associated equipment, if any, is installed. Where billing is based upon Customer usage, billing for all usage commences on the date usage begins.

(B) Subject to the Company's right to terminate or suspend Service as otherwise provided in this tariff, the minimum service period is thirty (30) days. Termination by the Customer is effective as of the end of the next business day after receiving the Customer's request to cancel Service.

(C) All monthly recurring charges are billed one month in advance. Initial and final months billing, when the service period is less than one month, will be prorated one-thirtieth (1/30th) of the month's recurring charge for each day the Service was rendered or equipment was provided.

(D) Usage charges are billed monthly for the preceding billing period. For periods less than the monthly billing period, minimum usage charges are prorated at one-thirtieth (1/30th) of the monthly minimum amount for each day the Service was rendered.

(E) The duration of a call is rated in intervals of the billing increments described

3.13 Missouri Universal Service Fund

- (A) Company will place on each retail end-user customer's bill, a surcharge equal to the Missouri Universal Service Fund percentage assessment ordered by the commission.
- (B) The surcharge will appear as a separate line item detailed as "Missouri Universal Service Fund."
- (C) The surcharge percentage will be applied to the total of each customer's charges for Intrastate regulated telecommunications services that meet the definition of net jurisdictional revenues at 4 CSR 240-31.010(12).

3.14 Disputes

- 1. A customer shall advise the Company that all or part of a charge is in dispute by written notice, in person or by a telephone message directed to the Company during regular business hours. A dispute must be registered with the Company prior to the delinquent date of a charge for the customer to avoid discontinuance of service as provided in this tariff.
- 2. When a customer advises the Company that all or part of a charge is in dispute, the Company shall record the date, time and place the inquiry is made; investigate the matter promptly and thoroughly; and attempt to resolve the dispute in a manner satisfactory to both parties.
- 3. Failure of a customer to cooperate with the company in efforts to resolve an inquiry, which has the effect of placing charges in dispute, shall constitute a waiver of the customer's rights to a continuance of service under this tariff.
- 4. If a customer disputes a charge, the customer shall pay an amount to the Company equal to that part of the bill not in dispute. The parties shall consider the customer's prior usage, the nature of the dispute, and any other pertinent factors in determining the amount not in dispute. The Company shall not discontinue service for nonpayment of charges in dispute while dispute is pending.

4. SERVICE OFFERINGS

MO. PUBLIC SERVICE COMMISSION

4.1 General Description

The Company offers switched long distance network services for voice grade and low speed dial-up data transmission services offered on a usage-sensitive basis. Service is provided subject to the terms and conditions of this tariff. The Services offered are:

- (A) Domestic Message Telecommunications Service;
- (B) Inbound (800/888/877) Toll Free Service; and
- (C) Calling Card Service.

4.2 Direct Dial Domestic Service

(A) The Company provides direct dialed termination of domestic station-to-station calls originating from its service points in the United States to the areas in the United States, as defined in "Definitions", Section 2, of this tariff. The Customer uses the Company's direct dialed Domestic Message Telecommunications Service by dialing 1 + the area code + the desired telephone number.

(B) The rates for Direct Dial Domestic Service are set forth in Section 5.1 of this tariff.

4.3 Inbound (800/888/877) Toll Free Service

(A) The Company's Inbound (800/888/877) Toll Free Service enables the Customer to receive 800/888/877 service calls at the Customers residence or business. The Service is accessed via 800/ 888 NPA's originating on Feature Group facilities provided by the LEC and terminating on a regular residential or business line. The following regulations apply to all Inbound (800/888/877) Toll Free Service:

Early termination will result in a fee equal to the current retail rate for standard high-speed internet service times the number of remaining months in the term. If during the initial term or renewal term a Customer upgrades to a higher tier, the initial term or renewal term will be restarted from the date of the change in service.

For an additional monthly fee of \$20.00, customers may upgrade to Premium High Speed Internet service.

Usage Charges: Refer to Section 5, Rates (5.7).

MO. PUBLIC SERVICE COMM

5.1. Rate Periods

(A) Rates are applicable based on time of the day (standard or daylight savings), of the week, and are associated with Service offered on Dial Station-to-Station and Person-to-Person basis for Domestic Direct Dialed Calls, Inbound Toll Free (800/888/877) Calls, and Company issued Calling Card Calls. Peak and Off-Peak rates apply to the types of Services offered by the Company, unless otherwise specifically designated in this tariff. The rate charged is determined by the day and time (standard or daylight savings) at the originating service point. When a connection is established in one rate period and ends in another rate period, the rate for each rate period applies to the portion of the connection occurring within that rate period.

(B) The rate periods are:

1. Peak Period - the time period from 8:00 AM to, but not including, 8:00 PM Monday through Friday.
2. Off-Peak Period - all other time periods other than Peak Period.
3. Holiday Rate Period - for the following Federal observed holidays, the Off-Peak rates will apply:

New Years Day (January 1st)
Memorial Day
Independence Day (July 4th)
Labor Day
Thanksgiving

INTRASTATE LONG DISTANCE MESSAGE TELECOMMUNICATIONS SERVICE

6. PROMOTIONAL OFFERINGS

(T)

General Information

The Company may, from time to time, elect to offer promotional programs to its customers that are designed to retain existing customers, to stimulate existing customer usage, to attract new customers, to win back former customers, or to increase awareness of the Company's services. Such offerings may be limited to certain dates, times, and/or locations.

5.1 **25% OFF - ExpansionPAK II (EPAK II) In-State Calling Plan Promotion**

During the period of March 17 through June 14, 2014, business customers who subscribe to ExpansionPAK II (EPAK II) In-State Calling Plan found in Section 4, may be eligible to receive a discount of 25% off their standard rates.

Eligibility rules:

- Only business customers are eligible
- Customers must purchase service within this 90 day timeframe to qualify for this promotion
- Customers must purchase ExpansionPAK II Bundle service from a local affiliate company under the affiliate's 25% OFF – ExpansionPAKII (EPAKII) Bundle promotion
- Customers must also purchase HSI (2M or higher) from a local affiliate company
- ExpansionPAK II (EPAK II) In-State Calling Plan may be purchased as MTM or Term; discount rate in effect for 12 months

This 25% off ExpansionPAK II (EPAK II) In-State Calling Plan Promotion is subject to the availability of component services. The Customer forfeits the monthly recurring charge credits offered under this promotion if the corresponding Component Services are canceled by the Customer or by the Company or the Company's affiliate and business partner, pursuant to the applicable terms and conditions of service. This promotional offering cannot be combined with any other discount or promotion except as authorized by FairPoint Communications.
