NOTICE APPOINTING ADVISORY STAFF

Issue Date: February 23, 2006

The parties are notified that the Commission has appointed an Advisory Staff consisting of impartial members of the Commission Staff. The Staff of the Commission has no interest in this matter and will not participate in it as a party. The Advisory Staff will consist of the following: Steve Traxler, James Watkins, David Elliott or Dan Beck, and Steve Dottheim. The Advisory Staff will provide technical assistance to the regulatory law judge by evaluating testimony and positions provided in the hearing. The Advisory Staff is bound by the same ex parte restrictions as apply to the regulatory law judge.

The appointment of an advisory staff is a practice used by the Commission in determination of intercarrier disputes between telephone companies. The appointment of an advisory staff seems to be the appropriate procedure in this matter.

If any party objects to the appointment of the Advisory Staff, please respond either via e-mail, a filing in the Electronic Filing and Information System or by telephone on or before 4:00 p.m., Friday, February 24, 2006. If an objection is made, Staff shall be ordered to intervene and participate as a party in the case.
