

**BEFORE THE PUBLIC SERVICE COMMISSION  
OF THE STATE OF MISSOURI**

In the Matter of the Application of	)	
<b>Assist Wireless, LLC</b>	)	
for Designation as an Eligible	)	Case No. RA-2011-0384
Telecommunications Carrier in the State of	)	
Missouri	)	
	)	

**MOTION TO CORRECT RECORD**

COMES NOW Assist Wireless, LLC (“Assist Wireless” or “the Company”), by and through counsel, and files this *Motion to Correct Record* as set forth below.

1. Assist Wireless filed its Application in this matter on May 27, 2011.
2. On November 7, 2011, the Commission issued its *Order Granting Application for Designation as an Eligible Telecommunications Carrier*. The Order became effective on November 17, 2011.
3. It has belatedly come to the attention of the Company and its counsel that both the Application and the Order misidentified the state under whose laws the Company is organized. The Application states, on page 2 (under Section I, “Background”), that “Assist Wireless is a Tennessee corporation whose principal offices are located at 1407 Texas Street, Suite 402, Fort Worth, TX 76102.” In actuality, Assist Wireless, LLC is a Texas corporation, as shown on the Missouri Secretary of State’s *Certificate of Good Standing* which was attached to the Application as Exhibit A (and which is being filed with this Motion for ease of reference).

4. In reliance on the inadvertent misstatement in the Application, the Commission's Order on November 7, 2011 stated that: "Assist Wireless is a Tennessee corporation ...."
5. In addition, the address of Assist Wireless changed during the pendency of the Application in this case, as reflected in the *Amendment to Application and Motion for Leave to Amend* filed by the Company on September 30, 2011. The new (and current) address of the Company is 2330 Gravel Street, Fort Worth, TX 76118. That motion was granted in the Commission's *Order Granting Motion for Leave to Amend Application*, issued and effective on October 3, 2011. However, the Commission's Order on November 7, 2011 reflected the former address.
6. In summary, the statement in the Commission's Order of November 7, 2011, on page 1 under "Background," is incorrect. It reads: "Assist Wireless is a Tennessee corporation whose principal offices are located at 1407 Texas Street, Suite 402, Fort Worth, TX 76102." For the sake of ensuring that the Commission's records are up-to-date and accurate, those records should instead reflect the following: "Assist Wireless is a Texas corporation whose principal offices are located at 2330 Gravel Street, Fort Worth, TX 76118."
7. Assist Wireless and its counsel apologize to the Commission for the inadvertent misstatement in the Application and any confusion it has caused the Commission.

WHEREFORE, Assist Wireless, LLC respectfully requests that the Commission correct its records to reflect the following: Assist Wireless is a Texas corporation whose principal offices are located at 2330 Gravel Street, Fort Worth, TX 76118.

Respectfully submitted,

***/s/ William D. Steinmeier***
