**APPLICATION TO INTERVENE
OF MISSOURI RETAILERS ASSOCIATION**

COMES NOW the Missouri Retailers Association (MRA), by and through counsel, pursuant to 4 CSR 240-2.075, and applies to intervene in support of Complainant and become a party in the above-referenced case. In support of its Application to Intervene MRA states as follows:

1. The Missouri Retailers Association (MRA) is a not-for-profit benevolent corporation, incorporated in Missouri. A copy of MRA's corporate papers is attached as Exhibit A.

2. MRA is dedicated to serving the needs of retailers and grocers and their distribution facilities statewide. MRA has several members who are served by Ameren Missouri and which rely on dependable electric service at reasonable rates in order to survive in the current economy; in order to employ their workforce; and to continue to provide their products and services at reasonable prices. The MRA's interest is different from the interest of the general public.

3. MRA's members take service under Ameren Missouri's Small General Service and Large General Service/Small Primary Service tariff. Its members' rates will be affected by the requested relief in this file.

4. The Missouri Public Service Commission has previously recognized MRA's interest in proceedings affecting Ameren Missouri's rates for electric service in permitting MRA's intervention in prior Ameren Missouri proceedings, for example, File Numbers ER-2010-0036 and ER-2012-0166.

5. Granting the proposed intervention would serve the public interest by providing the Commission with additional perspective on the issues in the case.

6. Correspondence, communications, orders and decisions in this matter should be addressed to:
