Kansas City Power & Light Company	)	File No. EF-2018-0114
For Authority to Issue Debt Securities	)	

### ORDER GRANTING APPLICATION

Issue Date: February 7, 2018 Effective Date: February 25, 2018

Kansas City Power & Light Company ("Applicant") seeks Commission approval to issue debt securities in principal amount up to \$750 million through September 30, 2019; to enter into interest rate hedging instruments in connection with such debt securities; and to execute agreements necessary for such transactions. The Commission has jurisdiction over Applicant because Applicant is a public utility doing business in Missouri. The Commission has authority to decide this matter because the statutes provide that Applicant's financing is subject to the Commission's authorization.

Accordingly, Applicant filed an application.<sup>3</sup> Staff filed its recommendation to grant the application conditionally.<sup>4</sup> Applicant filed its agreement with that recommendation.<sup>5</sup> No law requires a hearing before the Commission grants

<sup>&</sup>lt;sup>1</sup> EFIS No. 3 (December 1, 2017) Application and Request for Waiver, first page, paragraph 1.

<sup>&</sup>lt;sup>2</sup> Sections 393.180 and 393.190. All sections are in the 2016 Revised Statutes of Missouri.

<sup>&</sup>lt;sup>3</sup> EFIS No. 3 (December 1, 2017) Application and Request for Waiver.

<sup>&</sup>lt;sup>4</sup> EFIS No. 8 (January 3, 2018) Staff Recommendation.

<sup>&</sup>lt;sup>5</sup> EFIS No. 9 (January 15, 2018) Kansas City Power & Light Company's Response to and Acceptance of Staff's Recommendation..

unopposed<sup>6</sup> relief.<sup>7</sup> Therefore, this action is not a contested case and the Commission need not separately state its findings of fact.

The standard for deciding the application is whether the requested financing is "not . . . reasonably chargeable to operating expenses or income" and "has been reasonably required for purposes" specified by statute.<sup>8</sup> The specified purposes include those set forth in the application. Based on the verified fillings, the Commission independently finds and concludes that the financing sought in the application is within the statutes' description, subject to the conditions recommended by Staff. The Commission will grant the application.

#### THE COMMISSION ORDERS THAT:

- 1. The application is approved and the authorization sought is granted subject to the conditions set forth in the appendix to this order.
  - 2. This order shall become effective on February 25, 2018.
  - 3. This file shall close on February 26, 2018.
