

**MEMORANDUM**

To: Missouri Public Service Commission Official Case File  
Case No: CA-2005-0425                      File No: N/A  
Applicant: Metropolitan Telecommunications of Missouri, Inc.

From: Mike Scheperle  
Telecommunications Department  
William Voight /s/ 8-17-05                      David Meyer /s/ 8-17-05  
Utility Operations Division/Date              General Counsel's Office/Date

Subject: Staff Recommendation for Approval of Certificates

Date: 8-17-05  
Filing Deadline: N/A

The Telecommunications Department Staff (Staff) recommends the applicant be granted the following certificate(s):

- certificate to provide basic local exchange telecommunications services in the following service areas.
  - All of SBC Missouri (Application used Southwestern Bell Telephone Company)
  - All of Sprint (Application used United Telephone Company of Missouri d/b/a Sprint)
  - All of CenturyTel
  - All of Spectra (See number 4 of Attachment, page 4)
  - Other (please specify)

Granting the certificate should be based on the following conditions:

1. The applicant's originating and terminating access rates will be no greater than the lowest Commission approved corresponding access rates in effect for each ILEC within whose service area the applicant seeks authority to provide service, unless authorized by the Commission pursuant to Sections 392.220 and 392.230 RSMo.
2. The certificate and service classification for switched access service is conditioned on the continued applicability of Section 392.200 RSMo, and the requirement that any increases in switched access services rates above the maximum switched access service rates set forth herein shall be made pursuant to Sections 392.220 and 392.230 RSMo, and not Sections 392.500 and 392.510 RSMo.
3. If the directly competing ILEC, in whose service area the applicant is operating, decreases its originating and/or terminating access service rates, the applicant shall file an appropriate tariff amendment to reduce its originating and/or terminating access rates in the directly competing ILEC's service area within 30 days of the directly competing ILEC's reduction of its originating and/or terminating access rates in order to maintain the cap.

The Company is not delinquent in filing an annual report and paying the PSC assessment.

The Company is delinquent. Staff recommends the Commission grant the requested relief/action on the condition the applicant corrects the delinquency. The applicant should be instructed to make the appropriate filing in this case after it has corrected the delinquency.

(  No annual report    Unpaid PSC assessment. Amount owed:      )

- certificate to provide interexchange telecommunications services.
  - certificate to provide local exchange telecommunications services.\*
- \*local exchange authority should be restricted to dedicated, private line services.

- No objection to tariff taking effect
- Tariff was not submitted with application. Pursuant to 4 CSR 240-3.510(1)(C), the applicant cannot lawfully provide service until tariffs are effective.

Staff recommends the applicant and its services receive competitive classification. In addition, Staff recommends approval of the waivers listed in the Notice.

- There is an attachment to this recommendation.

**Review Items for IXC, Non-switched Local and CLEC Certificate Applications (as required by 4 CSR 240-2.060):**

- Proper Secretary of State authorization (See number 2 of Attachment on page 4)
- Statement of character of business performed.
- Statement declaring no pending action or final unsatisfied judgments
- Statement declaring no overdue annual reports/assessment fees
- Application includes an affidavit.
  
- The applicant is requesting waivers of rules or statutes previously granted to a competitively classified company

(as required by 392.430/.440):

- Application shows that grant of authority is in the public interest.

**Additional Review Items for CLEC Applications (as required by 392.455):**

- Possesses sufficient technical, financial and managerial resources and abilities.
- Identifies geographic area (no smaller than an exchange).
- Statement that applicant will offer basic local service as a separate and distinct service.
- Statement that applicant will give equitable access to all Missourians.

**Tariff Review Items (applicable for all competitively classified companies):**

- Properly formatted: (Company name, PSC MO No., Page #, Page revision #, proposed effective date)
- Identifies competitive classification.
- Identifies waivers granted.
- ICB pricing, if proposed, limited for private line, special access or Centrex-like services. (392.200(8)).
- Proposed rates do not establish geographic deaveraged rates (if not checked, explain in attachment). (392.200(4)).
- If an alternative operator service provider (receives more than 40% of revenues from traffic aggregators) operator service rates do not exceed: Person-to-Person (\$12.50), Station-to-Station/card (\$7.50). (392.515(1)).

**Tariff Review Items (applicable only for CLECs):**

- Interconnection agreement approved (if not checked, explain in attachment).
- Tariff clearly indicates areas offering local service (392.455(3)). Tariff identifies by exchange the areas where it offers basic local telecommunications service.
- Tariff offers local service as a separate and distinct service. (392.455(4))
- Switched access rates capped at ILEC's rates.

**Attachment:**

1. Metropolitan Telecommunications of Missouri, Inc. (MetTel) requests a temporary waiver of 4 CSR 240-3.510 (1)(C) in its Application that requires MetTel to file a tariff simultaneously with this application until MetTel has executed interconnection agreements with the incumbent LECs and those agreements have been approved by the Commission.
2. The application as submitted was missing a copy of the company's Secretary of State Authorization. Staff has confirmed that the company is in Good Standing with the Missouri Secretary of State.
3. Effective, July 2, 2005, a Commission Order (XA-2005-0426) granted MetTel a certificate of service authority to provide interexchange telecommunications services in Missouri and approved MetTel's proposed tariffs.
4. Application proposes to provide services in exchanges served by Southwestern Bell Telephone Company, United Telephone Company of Missouri d/b/a Sprint, and CenturyTel as set forth in Exhibit II. Exhibit II outlines exchanges served by SBC Missouri, Sprint, CenturyTel and Spectra Communication Group, LLC d/b/a CenturyTel.
