Title: Corporate Counsel

Telephone Number: 816-556-2314

Reason for request:

Kansas City Power & Light Company ("KCP&L") requests this extension so that it may incorporate data from its annual FERC Form 1, which is due April 20, 2015, and the annual surveillance report, which is due April 30, 2015. KCP&L anticipates that neither of these reports will be complete in advance of their respective deadlines. Consequently, KCP&L will not have all the data necessary to complete its 2014 Annual Report in time to meet this Commission's April 15 deadline.

List all pending cases numbers before the Commission in which the company is the primary focus of the proceeding:

Dear Samantha,

Would you like to save up to 20% on your heating and cooling costs\* while gaining more control over the comfort of your home? KCP&L can make it happen.

It's easy! **Just call us today to see if you qualify to be a part of an exciting new Smart Thermostat Study.** You could receive a free Wi-Fi programmable thermostat and mobile app that allows you to control your thermostat from your smartphone, tablet, or computer!

Customer applications for the Smart Thermostat Study are being collected for a limited time until the study is filled, so call today. A random selection will be conducted from all applicants to create three groups for this study. Two groups will receive their thermostats starting in February and the other group will receive their smart thermostats this fall.

#### **ONCE ENROLLED IN THE KCP&L SMART THERMOSTAT STUDY, YOU WILL RECEIVE:**

- A **free, state-of-the-art digital programmable thermostat**, installed at no cost by an experienced technician
- **24/7 customer support** after installation at no cost
- A **smartphone app** that allows you to make changes to your thermostat from anywhere at any time

When you use a programmable thermostat from KCP&L, you help us reduce demand for electricity on the hottest weekdays from June through September. This helps conserve resources and keeps electricity rates affordable for all of us.

We're excited to offer you a way to help manage your electricity costs, help the environment and be part of important research, too. Your participation in the Smart Thermostat Study is a great way to help your community by helping us tailor our programs to better meet the evolving needs of customers like you.

***PARTICIPATION IS LIMITED, SO CALL TODAY TO ENROLL! 1-855-231-5504***

Please have your KCP&L account number available when you call. Your account number is 9874884320

#### **WHY SHOULD YOU TAKE PART IN THE SMART THERMOSTAT STUDY?**

- Receive a smart thermostat, installation and app—all free of charge
- Be part of a study that will help KCP&L understand what customers like you want and need
- Help KCP&L reduce electricity usage during peak demand
- Save money on your heating and cooling costs
- Help keep rates affordable and help the environment
