Motion for Reconsideration and/or Rehearing

COMES NOW the Office of the Public Counsel (“OPC”) and for its Motion for Reconsideration and/or Rehearing, states as follows:

1. On March 3, 2021, the Commission issued its Report and Order finding the Complainant failed to meet her burden to show that Evergy West violated a law, rule, or order of the Commission.
2. OPC requests reconsideration and/or rehearing of the Report and Order to consider whether Evergy West violated its Private Area Lighting tariff, P.S.C. MO No. 1, 7th Revised Sheet Nos. 47. This tariff sheet permits the Company to charge one monthly fee “per lamp”, which the Company violated by charging the Complainant for a lamp that did not exist.
3. The Commission determined that “Evergy West first became aware that the pole light was destroyed by fire on April 21, 2009.”¹ OPC

¹ Report and Order, p. 5.

asserts that Evergy West violated the tariff every month it charged the Complainant a monthly fee for a lamp that did not exist.

4. In addition, Section 386.570 RSMo states that any public utility which fails to comply with “any order, decision, decree, rule, direction, demand or requirement, or any part or provision thereof, of the commission...is subject to a penalty of not less than one hundred dollars nor more than two thousand dollars for each offense.”

WHEREFORE, the Office of the Public Counsel respectfully requests reconsideration and/or rehearing of the Commission’s March 3, 2021 Report and Order.

Respectfully submitted,

OFFICE OF THE PUBLIC COUNSEL
