Re: Easton Telecom Services, Inc. – FY-2004 Assessment

To Whom It May Concern:

Pursuant to your attached letter dated October 29, 2003, Teligent Services, Inc. ("Teligent") submits the following response.

Please be advised that Easton Telecom, Services, Inc. ("Easton") is in the process of relinquishing its Certificate to Provide Telecommunications services and its tariffs in the State of Missouri (see attached letter to the Missouri Public Service Commission dated November 18, 2003).

Easton has not operated as a telecommunications carrier in the State since December, 2001. Since that time, Teligent Services, Inc, the parent company of Easton, has emerged from Chapter 11 bankruptcy and the Missouri Secretary of State was notified that this entity (Easton Telecom Services, Inc.) was dissolved upon emergence from bankruptcy.

Since Easton Telecom, Inc. no longer exists, there should be no balance due for FY-2004. Please adjust your records accordingly. Thank you for your consideration in this matter.

Should you have any questions regarding this matter, please do not hesitate to contact me at 703-326-4496 or <mailto:jennifer.martin@teligent.com>

Sincerely,

Jennifer Martin
