To Whom It May Concern:

I represent Tony Walker in his efforts before the Social Security Administration to obtain social security disability benefits. He appeared last week at a hearing before an administrative law judge, and is currently waiting for the written decision. The administrative law judge told Mr. Walker at the end of the hearing that he had won his case, so we know the decision will be favorable.

Mr. Walker has told me that he would like to pay his outstanding debts, but is currently unable to do so because of a lack of financial resources. He has also told me that just as soon as he is financially able he intends to take care of those debts.

Thank you for your understanding.

Sincerely yours,

Susan J. Fershee
