**ORDER GRANTING THE APPLICATION TO INTERVENE OF  
THE MISSOURI INDUSTRIAL ENERGY CONSUMERS**

Issue Date: August 26, 2009

Effective Date: August 26, 2009

On July 24, 2009, Union Electric Company, d/b/a AmerenUE, filed a tariff designed to increase its annual revenues for electric service. The Commission suspended that tariff and established August 17 as the deadline for interested parties to apply to intervene.

The Missouri Industrial Energy Consumers (MIEC) applied to intervene on August 10. MIEC is a group of large industrial customers who purchase large amounts of electricity from AmerenUE.<sup>1</sup> More than ten days have passed since MIEC applied to intervene and no party has objected to that application.

The Commission finds that the interest of the MIEC in this case is different from that of the general public, and may be adversely affected by a final order arising from this case. Furthermore, the Commission finds that allowing MIEC to intervene will serve the public interest. Therefore, in accordance with Commission Rule 4 CSR 240-2.075(4), the Commission will grant the application to intervene.

---

<sup>1</sup> The members of MIEC applied to intervene as individual entities, and as an association. The members of MIEC are as follows: Anheuser-Busch Companies, Inc.; BioKyowa, Inc.; The Boeing Company; Doe Run; Enbridge; General Motors Corporation; GKN Aerospace; Hussmann Corporation; JW Aluminum; MEMC

**THE COMMISSION ORDERS THAT:**

1. The Application to Intervene of the Missouri Industrial Energy Consumers, as individual entities and as an association, is granted.
2. This order shall become effective immediately upon issuance.
