Notice to All Creditors of @Link Holdings, Inc. and @Link Networks, Inc.:

Be advised that @Link Holdings, Inc. and its operating subsidiary @Link Networks, Inc. (together "@Link") ceased all business operations earlier this year and are in dissolution. Attached are copies of the Articles of Dissolution for @Link Networks, Inc. as filed with the State of Wisconsin and the Certificate of Dissolution for @Link Holdings, Inc. as filed with the State of Delaware. All assets of both companies were seized by @Link's primary secured lender, Nortel Networks, Inc. pursuant to contractual rights and a court order. This, in turn, precipitated the cessation of business operations and dissolution of both entities.

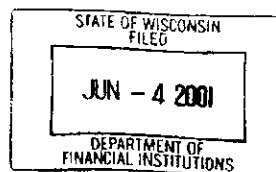

Nortel's liquidation of @Link's assets did not result in Nortel being made whole on @Link's secured obligations. Accordingly, there are no funds available to pay other creditors.
