**RE: Case No. AO-2020-0237
AMI Opt Out Tariffs**

Dear Judge Woodruff:

On behalf of The Empire District Electric Company and Liberty Utilities (Missouri Water) LLC, I am providing herewith to the Missouri Public Service Commission (the “Commission”) for filing, in electronic form, the following revised tariff sheets:

For Empire Electric, PSC Mo. No. 5, Sec. 5, 8th Revised Sheet No. 11,
Cancelling 7th Revised Sheet No. 11; and

For Liberty Missouri Water, PSC MO No. 14, 1st Revised Sheet No. 20,
Cancelling Original Sheet No. 20.

The redlined changes have been provided to the Staff of the Commission and the Office of the Public Counsel. A similar tariff change will also need to be made for the former Empire Water customers who are now served by Liberty Missouri Water.

These revised tariff sheets are being submitted to clarify that, for AMI opt out customers, the default procedure will be to disable the two-communication portion of the AMI meter. The use of a non-standard (non-AMI meter), so long as available, will continue to be an option for customers. These tariff changes have no impact on rates or charges.

Please bring these filings to the attention of the Commissioners and the appropriate Commission personnel, and please do not hesitate to contact me with any questions or concerns you may have regarding these filings.

Sincerely,

Diana C. Carter
