ORDER OF RULEMAKING

By the authority vested in the Missouri Public Service Commission under section 386.410, RSMo 2000, the commission amends a rule as follows:

4 CSR 240-2.130 is amended.

A notice of proposed rulemaking containing the text of the proposed amendments was published in the *Missouri Register* on April 15, 2011 (36 MoReg 1059). Those sections with changes are reprinted here. These proposed amendments become effective thirty (30) days after publication in the *Code of State Regulations*.

SUMMARY OF COMMENTS: A public hearing on the proposed amendments was held May 19, 2011, and the public comment period ended May 16, 2011. Two (2) written comments were received and one (1) person testified at the hearing.

COMMENT #1: Rick Zucker, on behalf of Laclede Gas Company, and Wendy Tatro, on behalf of Union Electric Company, d/b/a Ameren Missouri, jointly filed written comments, and Bryan McCartney, on behalf of Ameren Missouri, testified at the hearing. The companies recommend adding “and with complete and comprehensive detail” to section (8).

RESPONSE AND EXPLANATION OF CHANGE: The commission agrees with the companies and will make the suggested change.

COMMENT #2: Lewis Mills, on behalf of the Office of the Public Counsel, filed written comments suggesting that the reference in section (8) to “filing requirements” be made more specific. Mr. Mills also suggested that the requirement in section (8) to file a report electronically may be difficult for *pro se* parties and may be difficult for some items which are not easily produced electronically.

RESPONSE AND EXPLANATION OF CHANGE: The commission agrees with Mr. Mills’ suggestions and will make changes to section (8) to specify the filing requirements and allow reports to be filed in paper form.

4 CSR 240-2.130 Evidence

(8) Except as set out in this section, the prepared testimony of each witness shall be filed separately and shall be accompanied by an affidavit providing the witness’s oath. In lieu of prepared direct testimony, any party may file a report that presents in narrative form, and with complete and comprehensive detail, the analysis and conclusions of one (1) or more expert witness(es) and the facts and information on which they relied. In any report, the contributing

expert witnesses shall be listed together with an indication of the portion or portions of the report to which each contributed. The qualifications of each contributing expert witness shall be attached to the report as a schedule. Any such report shall comply with the commission's requirements in sections (6) and (7).
