Local Office Hours 8:00AM - 5:00PM Monday - Friday.

* The Infrastructure Surcharge (or ISRS) is the result of a new Missouri law that allows us to accelerate the replacement of aging water mains, thereby reducing the frequency of water service interruptions and prevent property damage from main breaks. The Public Service Commission reviews and approves all ISRS charges. At Missouri American Water, we are dedicated to improving the quality and reliability of your water service.

For additional information regarding ISRS charges, please contact us at 1-866-430-0820, or visit our website at www.amwater.com.

* Customers may use their credit card, debit card or pay by electronic check by calling toll free: 1-866-271-5522. Customers may also pay on-line at www.water.paymybill.com. A service fee will apply. Local payment centers cannot accept Credit/Debit card payments at this time.
