Summit Natural Gas of Missouri, Inc. (SNG) is required to file tariff sheets to show the rates and conditions under which natural gas service will be offered in its new Lake of the Ozarks service territory, which serves the towns of Camdenton, Osage Beach, Hurricane Deck, Linn Creek, Sunrise Beach, and the Village of Four Seasons, Gravois Mills, Laurie, and Lake Ozark.

In reviewing the SNG tariff, the addition of the Lake of the Ozarks system required new sheets or substantive changes to the following sheets:

Current Tariff Sheet	New Tariff Sheet	Concerning
Fourth Revised Sheet No. 1	Fifth Revised Sheet No. 1	Title
First Revised Sheet No. 3B	Second Revised Sheet No. 3B	Service Area Description
Third Revised Sheet No. 4A	Fourth Revised Sheet No. 4A	Legal Description
Original Sheet No. 4B	First Revised Sheet No. 4B	Legal Description

No current sheet	Original Sheet No. 4E	Legal Description
No current sheet	Original Sheet No. 11A	GS Class

No current sheet	Original Sheet No. 20A	LVS Class

These Tariff Sheets showing the maps and legal descriptions and rates for the new Lake of the Ozarks territory will be identified in the header as Lake of the Ozarks Service Area.

The bulk of the SNG tariff is the PGA and Rules sections. For these sections, except for the actual PGA Rate Sheets, the information in the header will continue to reflect the fact that these sections apply to all territory certificated and served by SNG.
