Re: Big River Telephone Company's request for expansion of certificate,
Case No. TA-2007-0093.

Dear Ms. Dale:

At the evidentiary hearing held in this matter on February 13, 2007, counsel for Intervenor BPS Telephone Company ("BPS") offered into evidence as Exhibit 8 the response to a data request prepared by Big River Telephone ("Big River"). Upon examination by counsel for Big River however, it was determined that the response was incomplete, so BPS was directed to file the complete response as late-filed exhibit 8. Attached hereto for filing in Case No. TA-2007-0093 is a copy of data request number 17 from BPS to Big River along with Big River's complete response to that data request. It is our understanding that there was no objection to this exhibit and that it will be received into evidence in Case No. TA-2007-0093.

A copy of this filing is being sent to all parties of record. Please call if you have any questions regarding this matter.

Sincerely,

BRYDON, SWEARENGEN & ENGLAND PC
