These tariff sheets bear an issue date of November 4, 2022, and a proposed effective date of December 4, 2022.

As a result of this filing, for the South service area, the effect of these changes will increase the firm PGA rate from the current \$0.96720 per Ccf (100 cubic feet) to \$1.154290 per Ccf. For the North service area, the effect of these changes will increase the firm PGA rate from the current \$0.71850 per Ccf to \$1.054620 per Ccf. For the Northwest service area, the effect of these changes will increase the firm PGA rate from the current \$0.644940 per Ccf to \$1.305140 per Ccf.
