Internet Protocol Service )

**File No. DA-2015-0222**

## NOTICE OF DEFICIENCY

Issue Date: March 20, 2015

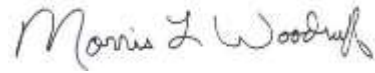

On March 18, 2015, Google North America Inc. filed an application for registration to provide interconnected voice over Internet protocol service. Google North America's application did not contain an attorney's signature, or the signer's street address, telephone number, facsimile number and electronic e-mail address. Pursuant to 4 CSR 240-2.080(2), pleadings filed with the Commission must be signed by at least one attorney of record authorized to practice law in Missouri.

The application also failed to contain a completed certificate of service. In addition, the affidavit attached to the application failed to provide the exchanges in which the company proposes to provide VoIP service, pursuant to §392.550.3(2), RSMo Cum. Supp. 2013.

Google North America's filing is deficient and the Commission will not take action on this application until this deficiency is corrected. The Commission will leave the file open until April 9, 2015, to allow Google North America to correct the

deficiency. If no response is filed by that time, the Commission will reject the application and close the file.
