

David Stewart

Over 25 years of experience in software development including 18 years as owner of Danna Software supporting the IT needs of organizations primarily working in Global Logistics and Supply Chain Management. From evaluating business needs through development, implementation and training I enjoy solving problems and creating streamlined solutions.

Throughout my career I've built relationships with a variety of businesses from small companies of 10 employees or less to Fortune 500's. My companies success has depended on the success of the clients I serve. Over the years serving my clients I have learned how to evaluate a companies needs, business objectives and their own clients needs.
