Re: Folsom Ridge LLC and Big Island Homeowners Water and Sewer Company, Inc.  
Case Nos. WO-2007-0277 and WC-2006-0480

Dear Judge Dale:

Under cover of this letter you will find for filing the direct testimony of Mr. James T. Crowder. This is being filed pursuant to the ancillary procedural schedule adopted by the Commission in this case. I need to explain some difficulty in effecting service of the testimony by email.

This past weekend our office began the process to install a new server for our network. This morning, upon attempting to use our email program, we discovered that it was not available and although the problem has been worked on for most of the day, we have no email transmitting or receiving ability. As a consequence, email service of today's testimony filing will be delayed until tomorrow. Paper copies are being served by first class mail today however.

I anticipate that the problem with our computer system will be resolved by tomorrow. I apologize for any inconvenience this may cause.

Very truly yours,

NEWMAN, COMLEY & RUTH P.C.
