Re: Case No. EA-2006-0309

Dear Judge Dale:

During the course of the oral arguments held last Wednesday, April 5, 2006, Commissioner Gaw questioned counsel for Cass County about whether the Commission had rules or other procedures applicable to the application filed in this case and also to the siting of generation plants. In response counsel referred among other things to a letter from staff member Warren Wood that had been sent to a resident in the South Harper vicinity. Commissioner Gaw asked to be supplied with a copy of that letter.

The letter involved was signed not by Warren Wood but by Robert J. Quinn; however, I understand that Mr. Wood may have been the principal author of the letter. I apologize for the error. As I have learned, this letter is attached to Mr. Jon Empson's direct testimony as Schedule JRE-1 and is also attached to Aquila's application. For ready reference, you will find a copy of Mr. Empson's schedule under cover of this letter.

Thank you.

Very truly yours,

NEWMAN, COMLEY & RUTH P.C.
