ORDER DISMISSING COMPLAINT

Issue Date: October 8, 2014

Effective Date: November 7, 2014

The Missouri Public Service Commission is dismissing the complaint of Martin City Sports Complex ("MSCS").

On June 16, 2014¹, MCSC filed a formal complaint pursuant to rule 4 CSR 240-2.070 against Kansas City Power & Light Company ("KCP&L"). The complaint was signed by Mark Nigro, Partner. Because MCSC did not have legal counsel, the Commission issued a Notice of Deficiency on June 24.²

The Commission issued an order to show cause on September 24, giving MSCS until October 2 to show cause why this case should not be dismissed. MCSC did not respond.

¹ Calendar references are to 2014 unless otherwise noted.

² Although not pled, a search of the Secretary of State's website reveals that MSCS is a limited liability company.

The Commission's regulations provide:

Cases may be dismissed for lack of prosecution if no action has occurred in the case for ninety (90) days and no party has filed a pleading requesting a continuance beyond that time.³

The Commission's regulations also provide:

A party may be dismissed from a case for failure to comply with any order issued by the commission.⁴

More than ninety days have elapsed since MSCS filed its complaint, and MSCS has taken no further action since filing the complaint. Therefore, the Commission will dismiss the complaint.

THE COMMISSION ORDERS THAT:

1. The complaint is dismissed without prejudice.
2. This order shall become effective on November 7, 2014.
3. This file shall be closed on November 8, 2014.
