RE: *Kansas City Power & Light Company and KCP&L Greater Missouri Operations Company, Case Nos. ER-2010-0355 and ER-2010-0356.*

Dear Mr. Reed:

During the en camera portion of the evidentiary hearings held on January 25, 2010, Commissioner Kenney requested that the Company prepare and file a late-filed exhibit that contained information regarding the rationale for entering into the Alstom Settlement. (Tr. 1961-64). This exhibit includes: 1) Valuation of Issues Resolved by the Unit 1 and Unit 2 Settlement Agreements; 2) Settlement Agreement Exhibit D: Disposition of Certain Outstanding Claims Between KCP&L and Alstom in the Unit 1 Settlement Agreement; 3) a Risk and Opportunity Analysis Sheet related to the Unit 1 Alstom Settlement Agreement; 4) Man-hours analysis related to Alstom's Unit 1 Delay Claim. This information is considered as Highly Confidential and should be treated accordingly, pursuant to 4 CSR 240-2.135.

Pursuant to 4 CSR 240-2.130(14), the Company requests that the attached late-filed exhibit (HC) be accepted for filing, and admitted into the record of this case in response to Commissioner Kenney's request.

Thank you for your attention to this matter.

Sincerely,

James M. Fischer
